

I love you Yunho

Von Jaejoongie

Wie immer: Die Leute gehören mir nicht!!! Und: Das ist nur Fanfiction! Nicht ernst nehmen!!!!!! Viel Spaß!

"Why don't you understand? I just don't feel the same! I don't love you!" Yunho almost screamed the last part.

Jaejoong could feel the tears in his eyes.

"I'm... I'm sorry!" He felt those tears running down his cheeks. "Just pretend I never told you how I feel. Pretend I never said it..."

"How?"

Silence. Neither Jaejoong nor Yunho moved or said a word.

"Cut!"

Yunho smiled while Jaejoong brushed the tears from his eyes and tried to smile as well.

"Good work! We are done for today!"

Yunho smiled again and walked over to the other three members of Dong Bang Shin Ki. Jaejoong stayed behind and watched Yunho.

'Would you react the same if I tell you that I fell in love with you?'

Jaejoong let out a sigh and followed Yunho.

Later that day, while the others were watching TV, Jaejoong sat on his bed thinking. He didn't want to be near Yunho at the moment. The rejection earlier, although it wasn't real, had felt so real that his heart was broken. Tears were streaming down his face and though he fought against them he couldn't stop them.

"I can't tell him! If he really rejects me, the band will break apart. And I can't live without him!"

He closed his eyes and stopped fighting against his tears. He was so lost in his thoughts that he didn't hear the door opening. Yunho entered the room and walked over to Jaejoong.

"Boo? Why are you crying?"

His eyes shot open in surprise. For a moment all he could do was look at the other man, standing there beside his bed. Then he shook his head to show Yunho that it was nothing. Yunho looked at him in disbelief. He moved to sit next to Jaejoong pulling him in a tight embrace so that Jaejoong's head rested on his shoulder.

"No one cries because of nothing! Come on, we're best friends! You can tell me!"

'That's the problem! We're best friends but I want more!' Jaejoong thought but stayed silent, tears still flowing down his cheeks.

"It seems you don't want to talk to me!" Yunho stated a little angry.

He started to get up but Jaejoong quickly put his arms around Yunho's waist holding him back.

"I... I..." There was a moment silence again. "Please stay! Even if we don't talk, please stay!"

Yunho looked at Jaejoong for a moment before he put his arms around Jaejoong again. They stayed like that for some time.

"I fell in love with someone but this person doesn't love me back!"

Yunho looked down at him again and hugged him a little tighter. He tried to comfort Jaejoong as best as he could.

"There's a girl in this world that would reject you?" He was trying to cheer his friend up.

Jaejoong didn't look at Yunho.

"Yunho...?" he replied, his voice so quiet Yunho almost couldn't hear him.

"What?" he asked gently.

"There... there's something else." Jaejoong's tears started to flow again.

Yunho looked down at him in confusion. He wanted to say something but Jaejoong continued.

"I... I didn't fall in love with... with a girl... I fell in love with... a guy!"

Yunho looked shocked for a moment.

"I don't think it matters! A broken heart is still a broken heart." Yunho replied. "And the fact that you fell in love with a guy doesn't change who you are, does it?"

Jaejoong shook his head.

"No, I think I'm still the same. Thanks Yunho!"

"For what?"

"For not hating me, because I love a guy!"

"That's not a reason to hate someone!"

Jaejoong smiled.

"By the way, I think this person has to be stupid to reject you after you confessed to him!"

"I didn't confess, Yunho!"

"How do you know than, that he doesn't love you?"

The sad look came back to Jaejoong's eyes.

"I know that he is straight!"

"Until today I thought the same about you!"

Yunho looked at him, than smiled.

"Will you tell him?"

"I don't know..."

"You should tell him! I'm sure he'll understand it."

"And what if he rejects me?"

"Than you can come to me and I will hold you until you can't cry anymore!"

"Promise?"

"Promise!!!"

Yunho walked to the door to watch TV with the others when Jaejoong called him back. He knew it was now or never.

"Yunho... the one I fell in love with is... you. I love you Yunho!"
