### Kapitel 10: Lonely

I can hear my clock is ticking  
And I love this little sound  
Because of this I'm still believe in  
That I'm still alive

People come and people go  
But no one notice me  
There is nothing I can show  
That I'm not worthless

Hey, come on  
I'm over here  
Just two steps away

Why don't you come to talk with me  
Why don't you want to stay

If I speak they will not hear  
Not any single word  
There's nothing that I fear  
Except this loneliness

When you all don't see me  
Why don't you let me go?  
Just let my soul be free  
And live your life on

Maybe you come on  
Over there to my grave  
Just a few steps away

And then you may talk with me  
And maybe you want to stay
