Kapitel 3: An Angel

Dear World,
Stay alive
Be happy
With all the people

I have to go
But don't you worry
I will always be by your side
And never forget you

So please take care
Of my dear friends
The town that I love
And my beloved family

I don't want to be weak
So please dry my tears
Fears go away
My pain for yours

Birds, be my voice
Sun, be my warm heartbeat
Wind, be my breath
Rain, be my tears

I will live on
In you
I will stay at your side
My dear people

So I want to sing a song for you...

Holy Light
That shines so bright

Please shine for me
Please let us be

Joy

Protect this place
Be kind like an embrace
Show us the way
And we will pray

Gloria

Be our way of life
Without any strife
Give us the strength to go on
No matter what we've done

Amen
