The Cry

Tears of an Angel

***Have you ever seen an angel cry?
Have you ever seen an angel die?***

***Have you ever seen an angel fall?
Have you ever hear an angel call?***

*Look at me, what I've become.
I'm an angel of death.*

*Look at me, what I've become.
I faded in to darkness.*

*Look at me, what I've become
My wings are deep black.*

*Look at me, what I've become.
I'm your chained angel.*

***Have you ever seen an angel cry?
Have you ever seen an angel die?***

***Have you ever seen an angel fall?
Have you ever hear an angel call?***

*Look at me, what I've become.
My heart is full of pain.*

*Look at me, what I've become.
My soul is cold and empty.*

*Look at me, what I've become.
My wings are broken.*

*Look at me, what I've become.
I cannot fly anymore.*

***Have you ever seen an angel cry?
Have you ever seen an angel die?***

***Have you ever seen an angel fall?
Have you ever hear an angel call?***

*Once I was your angel of light,
but you leave me alone.*

*Once I was your guardian angel,
but you send my away*

*Once I was the keeper of your dreams,
but you don't dream anymore.*

*Once I was the owner of your heart,
but you torrential it from me.*

***Have you ever seen an angel cry?
Have you ever seen an angel die?***

***Have you ever seen an angel fall?
Have you ever hear an angel call?***

***Have you ever seen my tears?
Have you feel my pain?***

Where ever you go, I'll stay with you.....my friend.
