

Show me who I really am

The Mirror

Von Chacha

I can't see me

Show me who I really am

*Who am I?
I see 'not me.
Tell me what happen to.*

*Who am I?
Who's the strange face?
Show me who I really am.*

*The image in the mirror,
I don't recognize.
That, I can't be.*

*When shows me the mirror,
my true face?
When shows the mirror,
Who I really am?*

*Look at me,
I'm myself a stranger.
Do you know my true face?*

*Look at me.
I do not know who I am.
What you know about me?*

*The picture in front of you
A mask that I wear.
This is my non – face.*

*When shows me the mirror,
my true face?
When shows the mirror,*

Who I really am?
