### Kapitel 9:

Ritsu suddenly got turned around. Before he realized what happened Takano was already kissing him. Pressing his lips on Ritsu's he managed to open the door. He almost threw Ritsu on the car seat, already unbuttoning Ritsu's shirt "Ta- Takano-san!" "Mmmppphh wha-" "I held back since you complained about doing things in public, but we're not in public anymore..." He went on kissing Ritsu while his fingertips left burning trails all over his body... "Takano, we should really do this at home..." He smiled "I can't hold it anymore..." Ritsu's eyes started filling with tears. It reminded him so much of their past. Just as if the last 11 years would have existed...

"Takano-san? What are you doing here?" Kisa looked confused, seeing him and Onodera coming in as if nothing had happened... "Yesterday in the meeting Isaka-san told us, you'd move to Hokkaido..." Takano gave a thin smile "Well I was about to take the plane, but Onodera ran all the way from Marukawa to the airport. Ignoring the terrible weather to stop me..." "Oh really? Why would he do something like this?" "Isn't it obvious? Because he fell in love with me!" Kisa giggled "Ricchan! I knew it! You two are dating, aren't you?" Takano made a self-confident face. "Well, after confessing to me yesterday, we ended up-"

"NO WE'RE NOT! We're totally NOT dating, stop imagining things Kisa!"

Geez! Are you an idiot? Are you an idiot? Are you an idiot? You can't just tell everybody about this!
