Kapitel 16: love

*i love you
no matter what my friends say!
i love you for yourself.
it doesn't matter what you've done in the past*

you told so.
but it's hard to ignor the callings:
"slut!" "she's a whore!"...
almost all of your friends don't think it's a good idea that you're with me.

i have done a mistake!
a big mistake.. or many lil'.
i wanna turn the time, so i'll notice in time your feelings for me..
but it doesn't matter, right?

*i wanne be with you
i don't regret anything.
i love you!
i love you so much!*

i love you, too, my darling

life's hard, huh?
